#### **QUOTE OF THE DAY**

"Painting is just another way of keeping a diary." – Pablo Picasso

"The state of female artists is very good. But the very definition of art has been biased in that 'art' was what men did in a European tradition and 'crafts' were what women and natives did. But it's actually all the same." – Gloria Steinem

"A lot of times people look at the negative side of what they feel they can't do. I always look on the positive side of what I can do." – Chuck Norris

"True heroism is remarkably sober, very undramatic. It is not the urge to surpass all others at whatever cost, but the urge to serve others, at whatever cost." – Arthur Ashe

"The problem is not that there are problems. The problem is expecting otherwise and thinking that having problems is a problem." – Theodore Rubin

"Failure is not reaching your goal, but in having no goal to reach." – Benjamin Mays

"Life is a moderately good play with a badly written third act." - Truman Capote
